- Review online games, videos, and worksheets available on the PowerPoint slides.
- Read the assigned book on **BookR** weekly.
- Work on improving your **spelling** by paying close attention while copying, studying the spellings of words covered in class, and practicing regularly using the **spelling folder** available on **Resources**.

- Assist Tala during class when she asks questions and provide constructive feedback daily.
- Give **feedback** on any extra practice worksheets completed by Tala.
- I have created an **enrichment folder in Resources** that includes materials, videos, worksheets, and practice activities covering all the basic language skills.

- Encourage Tala to **take responsibility** for packing her bag, organizing materials, and managing deadlines.
- Review the **material uploaded on the IEC application** with her daily.
- Encourage Tala to read the weekly assigned book on **BookR** and discuss it with her.

**Note:** Tala is smart and has good language skills, but she makes silly mistakes, gets distracted easily, and is not organized. Her marks and class performance do not match her potential. With more focus and organization, Tala can do much better.
