## Speaking

### First speaking assessment.

We hope this message finds you well.

Next week, from 21st to 25th September, students will have a speaking skills assessment during one class only. Each student will give a one-minute presentation on the topic: "What Makes a Good Friend?"

They should:

Talk about how to be a good friend.

Describe qualities such as supportive, generous, cheerful, and trustworthy.

Share simple examples from their own experiences.

Use the vocabulary learned in class, clear sentences, and good body language.

(Optional) Bring a small picture or item related to the topic.

🔔 Note: There is no need for parents to help. Students will prepare and present on their own.
