Grade 4 –Second Speaking Assessment

Dear Parents,

We hope this message finds you well . We speaking assessment will take place during the first session next week (October 26 –30).

For this assessment, each student will prepare a one-minute presentation on the topic:

‘How to Deal with Bullying ’

Students Should:

1. Explain what bullying means.
2. Describe different types of bullying.
3. Talk about what we should do if we see or experience bullying.

Optional: Students may bring a poster or picture about bullying to support their presentation.

Note: Students will be asked critical thinking questions after their presentation. They should use their own words and share personal thoughts and opinions naturally, not memorized answers.

Reminder: Use these helpful vocabulary words that we discussed in class in your presentation:

bullying –mock –insult/belittle –provoke/annoy –cyber bullying –physical bullying –verbal bullying –inform a trusted adult –stand up for yourself / defend yourself –ignore

Kindly check the resources section on the IEC app for the study sheet to help your child prepare.

Thank you for your continued support and cooperation.
